Editor, The Baltimore SUN
Baltimore, Maryland

Dear Mr. Wagner:

The wines of Boordy Vineyard, Ridewood, Maryland,
have arrived. Thank you.

I am anticipating with great pleasure the first taste
of wine produced by the author of "American Wines And How
To Make Them." You were very thoughtful to think of me.

It was good to have had a chat with you recently and
I hope we will again get together before too long a passage
of time.

Sincerely,
